Dear Parents/Guardians:

As the new school year begins we want to remind you of a few things, as our main concern is always the health and safety of our students.

If your child is in an “allergy classroom” **see the list below**, please be extra sensitive to the **foods you are sending in with your child for snack and lunch**. As always, we encourage a “no food sharing” policy to reduce the risk of any child having an accidental reaction. Additionally, we will not be serving any food in school for Birthday Celebrations. We will continue to celebrate birthdays but without treats.

The 2022-2023 LLE allergy classrooms are as follows:

Grade 2 – M. Amoroso (Bronstein) Mrs. Appelblatt and Mr. Napolitano (Hubener)

Grade 3 – Mrs. O’Hara and Ms. Shaughnessy

Grade 4 – Ms. Chabora, Mrs. Dalie (Lefer), Mrs. Forman, and Mrs. Rilli

In addition, we recommend the following:

- Please refrain from sending in morning snacks that contain peanuts, tree nuts, sesame/poppy seeds, or shellfish. If foods such as these touch desks, pencils, etc, it increases the risk of “contamination” for those with allergies.
- As part of our ongoing health/safety curriculum, good hand washing will continue to be stressed. Mrs. Paspalas will also provide classroom lessons regarding allergies.

Thank you for your consideration and cooperation in the health and safety of our students. If you have any questions, please the LLE Nurse, Mrs. Paspalas, at 201-768-6060 ext. 52256.

Sincerely,
Frank J. Mazzini
