Assistant Principal's Message

This handbook has been prepared to help acquaint you with the Demarest Middle School and the regulations and procedures to which we adhere.

These procedures assure that every student will know and understand what is expected of him or her as a member of the student body.

You will find that as you cooperate with the staff and with each other, the time that you spend at the Demarest Middle School will be most rewarding. Throughout the year you will be called upon at various occasions to help support your school and its many programs and activities.

Begin the school year thinking about your school and community and what you can do to make each a better place. Hopefully, each student will develop pride in the school and fulfill his or her duties and responsibilities as a student of the Demarest Middle School.
