- 9/21-CRS & LLE Virtual Back to School Nights

September 10, 2021

Welcome Back!

The administrators, teachers, and staff at both County Road School and Luther Lee Emerson School would like to welcome you back for the 2021-2022 school year! As we embark on a new school year, it is important to remember hygiene practices for our students.

1. Washing hands with soap and water for at least 20 seconds.
2. Keeping hands away from eyes, nose, and mouth.
3. Get a good amount of sleep.
4. Exercising and moving your body.
5. Eat a variety of healthy foods.

Have a happy, healthy and safe school year!

Message from the Principal:

Dear CRS and LLE Families,

The 2021-2022 school is off to a great start! It was wonderful to welcome everyone back on the first day of school. The students were thrilled to be back to full day sessions as we are moving towards a more normal school year. As is my belief, children are very resilient and they adapt well to change. For this, I am very proud of our students.

The second day of school tested us once again after Ida came through our area. As I have stated multiple times over the past two years, Demarest comes together and works through whatever is placed in front of us. Many homes were affected by the storm. Additionally, County Road School was not spared. Our custodians jumped into action and started the process of cleaning in order to get our students back as soon as possible. We were then joined by a professional cleaning company to complete the job. With that, CRS reopened yesterday and the students acted as if we had never closed.

Moving forward, we are seeing many exciting initiatives. We will continue with our One School, One Book program for both of our elementary schools. In the past, our STEM program was only for 3rd and 4th graders however, this year we are extending it to all (P-4th) elementary students. Finally, we are looking forward to the ongoing progress of our CRS construction project. Our new addition will have four new classrooms, each with their own bathroom. This will house our preschool students. Also, there will be two small group instruction classrooms and a new faculty bathroom.

Please remember to review the email regarding our virtual Back to School Night that went out yesterday that will take place on 9/21/21 at 3:15.

This weekend will bring us beautiful weather! I hope that everyone takes time to enjoy it.

Educationally yours,

Mr. Mazzini

Arrival and Dismissal Reminders:

CRS Arrival: Drop off is between 8:10-8:20 am. Please do not send your child to school earlier than 8:10 am as there is no supervision. All grades (P-1 st) will utilize the carpool drop off line. All students will enter the building via the main entrance

LLE Arrival: Drop off is between 8:10-8:20 am. Please do not send your child to school earlier than 8:10 am as there is no supervision.

- **Second Grade** will enter the building via the **main entrance**.
- **Third grade** will enter via the **Lenox Avenue** back entrance.
- **Fourth grade** will enter in the front via the **Music Room entrance**.

CRS/LLE PM pickup procedure: Front of School: Drivers in the pickup lane in the afternoon should remain in their cars and pull up to the furthest stop sign. If parents wish to leave their cars for any reason, please park in the parking areas provided. Students are to remain on the sidewalk until their parents enter the pickup zone.

LLE PM pickup procedure: Lenox Avenue: Drivers should remain in their cars on the school side of the street. Please pull forward as far as possible. The pickup system requires that children enter their cars from the sidewalk. Double parking is prohibited because it creates a dangerous situation for children as they attempt to go between cars and are not visible to drivers. Do not make U-turns on Lenox Avenue and be mindful it is a residential neighborhood.
