Back To School

Back to School Night will be held on September 22nd at 7pm. This year, parents will begin their evening in their child's first period class instead a general assembly in the gymnasium. An individualized schedule will come home with each student and be available in the main office.

School Opening

On September 6th, DMS opened its doors to 312 eager and excited students. DMS staff members could not be more thrilled to begin the school year.

Grade 5 Scavenger Hunt

In preparation for entering middle school all fifth grade students were invited to a scavenger hunt around campus on August 25th. Students had an opportunity to meet their teachers, practice opening lockers and explore the school.

Laptop Distribution

On September 8th, DMS staff distributed laptops to the entire school population. All laptops have been updated over the summer and are ready for student use. Students have access to Mac applications, Microsoft Office, the Google suite of programs and Power School, a learning management system.
