

COUNTY ROAD SCHOOL LUTHER LEE EMERSON SCHOOL

ACTIVITY AGREEMENT

Periodically, our students are involved in activities which require that they leave the school grounds to go to the Demarest Middle School, County Road School, Luther Lee Emerson School or another nearby location in Demarest. We ask you to consent to your child's participation in these trips as they occur during this school year.

I understand that these activities may range in time from a half day to an entire school day. These activities may include field trips, chorus or instrumental music programs, etc. **We will inform you of these activities prior to the event.**

My permission covers such travel and other arrangements for each activity as are officially sponsored by County Road School or Luther Lee Emerson School.

Field Trips to locations outside of Demarest will have an individual permission slip per trip for your approval and signature.
