- 4/4-LLE Me & My Dance 5:30 held in LLE Gym

March 17, 2023

Fourth Grade Demarest Library Visit

On Tuesday, March 7, the fourth graders at LLE visited the Demarest Public Library. Each class walked to the library and met the youth services librarian, Ms. Chris. Students participated in a scavenger hunt and had the opportunity to get a library card.

Support for Children in Turkiye

CRS and LLE are partnering with a local Turkish family to help support the children that have lost everything from the earthquake last month. There will be labeled boxes outside of the main office at CRS and LLE where students can drop off their supplies. The collection will last for two weeks, from March 13-March 24. Also, homerooms will be sending cards of encouragement to the children in Turkiye.

Spotlight on Second Grade

Second graders have been busy learning about many different subjects! For their science unit, Mr. Napolitano's class completed a landforms research project, where students were each given one landform. For their landform, they wrote a paragraph about the landform in general and then chose a specific one. For example, students could've chosen Mount Everest as a famous mountain. Also in science, students are working on an endangered species project, where each student chose an endangered species and researched them on their computers. Ms. Amoroso's class made sentence buddies this week to learn proper sentence structure and to practice the difference between nouns and verbs.

Dear CRS and LLE Families,

It was such a pleasure to see the students back in school after the week off where we all had time to relax and recharge our batteries. Upon our return, we had another fun and educational Read Across America Week at CRS and LLE. Please see the items below for more exciting updates.

- **International Heritage Day:** The original date was set for Saturday, April 22nd, from 12:00-2:30. Please know that the time remains the same but we do need to change the date. Once the revised date is decided, you will be notified.
- **Student Footwear:** Student safety when walking in the hallways, playing at recess, or during physical education class is very important. As per our [Handbook](#) students should not be wearing flip-flops or cros to school. **Sneakers are always the best choice!**
- **Preschool/Kindergarten Registration:**
 - **Preschool:** We still have seats open in the **Preschool 3** program for the 2023-2024 school year. If you or someone you know, who is domiciled in Demarest, is interested, please contact Mrs. Rraci at CRS at 201-768-6060 ext. 51535.
 - **Kindergarten:** If you or someone you know has a child who will be five years old by October 1, 2023, please contact Mrs. Rraci at CRS at 201-768-6060 ext. 51535 to register.
- **Look ahead:**
 - 3/24:
 - 1:30-1st Grade Play. The doors will open at 1:15
 - Report Cards available online
 - 3/28: **CRS Me & My Dance** held at the LLE Gym-5:30-7:00
 - 4/4: **LLE Me & My Dance** held at the LLE Gym-5:30-7:00

Thank you for your partnership in helping to make our schools the success that they are.

Best,
Mr. Frank J. Mazzini
Principal
